

ARIZONA DISTRICT NMI PROJECT

2020-2021

On the Arizona district we are intentional about planting new churches to reach more and more people with the gospel of Jesus Christ. One of these new works is a Sudanese congregation in Phoenix that is just getting off the ground. The new congregation is excited about the opportunity that has been given them in the form of a building. What a blessing!

Our district project this year will be in connection with this church plant and will call us as a district to ACTION. The building is in need of being cleaned up and caught up on deferred maintenance. Arizona NMI has set a goal to raise \$10,000 for this project. There will be a few ways for your church to get involved.

1. Pray for pastor Michael Gatkek and this new congregation as God directs and leads.
2. Commit financially toward this project and help us get to our \$10,000 goal. You can send your contribution directly to the district office.
3. Join a district coordinated work project or plan one for your church. The district workdays will be September 10-12 and October 8-10.

LIST OF POTENTIAL PROJECTS:

1. Debris Cleanup. Rent a 40 yard dumpster to dispose of debris.
\$500 - \$1000 depending on how many tons of garbage.
2. Bathroom Upgrade. Update sinks, toilets, doors, floors, and paint in each bathroom.
This would include removing and rebuilding the handicap ramp for the women's restroom.
\$1,000 - \$2,000 for repairs.
3. Sanctuary Floor. Use appropriate tile from available tile around the facility to replace carpet in sanctuary if possible. \$500 - \$1,000 depending on whether we can use the tile we already have available.
4. Minor Upgrades in Sanctuary and Fellowship Hall. Electrical, Walls, etc.
Cost is TBD.
5. Sanctuary Entrance and Awning. Make the necessary repairs to the awning (replace warped and rotting wood) Replace or re-finish front sanctuary doors. \$1,000 - \$2,000.
6. Sign. Purchase and replace current vinyl banner to reflect current church. \$200 - \$400.
7. Paint. Re-paint the entire outside of the sanctuary and fellowship hall. \$750 - \$1,500.
8. Roof/Rafters/Fascia/Soffit on Sanctuary.
Need expert opinions but this would cost anywhere between \$5,000 - \$15,000.

SKILLED LABORERS NEEDED! General contractors, roofers, electricians, carpenters, landscapers, etc.

Would you or could you ask someone in your church to consider serving on a work project team on the district to consult, lead and direct teams to complete specific projects where expert direction and oversight is needed?

WE LOOK FORWARD TO ADVANCING THE KINGDOM OF GOD TOGETHER THROUGH THIS MISSIONS OPPORTUNITY!

"Then Jesus went about all the cities and villages, teaching in their synagogues, and proclaiming the good news of the kingdom, and curing every disease and every sickness. When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, 'The harvest is plentiful, but the laborers are few; therefore ask the Lord of the harvest to send out laborers into his harvest.'" -Matthew 9:35-38
